

CURRICULUM VITAE

GERALD M. REAVEN, MD
Professor of Medicine (Active Emeritus)
Division of Cardiovascular Medicine
Falk CVRC, Stanford Medical Center
300 Pasteur Drive
Stanford, California, 94305

Education and Experience:

1947	University of Chicago, A.B.
1949	University of Chicago, B.S.
1953	University of Chicago, M.D.
1953-54	Internship, University of Chicago Hospital
1954-55	Research Fellow in Medicine, Stanford University School of Medicine
1955-57	U.S. Army Medical Corps
1957-59	Internal Medicine Residency, University of Michigan
1959-60	Special USPHS Research Fellow, Stanford University School of Medicine
1960-61	Instructor in Medicine, Stanford University School of Medicine
1961-65	Assistant Professor of Medicine, Stanford University School of Medicine
1965-70	Associate Professor of Medicine, Stanford University School of Medicine
1967-68	Visiting Associate Professor of Medicine, Yale University School of Medicine
1970-95	Professor of Medicine, Stanford University School of Medicine
1974-77	Head, Division of Endocrinology and Metabolic Diseases, Stanford University School of Medicine
1974-90	Director, General Clinical Research Center, Stanford University School of Medicine
1977-90	Head, Division of Gerontology, Stanford University School of Medicine
1977-95	Director, Geriatric Research, Education and Clinical Center, Veterans Affairs Palo Alto Health Care System
1990-95	Head, Division of Endocrinology, Gerontology and Metabolism, Stanford University School of Medicine
1995-present	Professor of Medicine (Active Emeritus), Stanford Univ. School of Medicine

Honors and Awards:

- 1971-77 Medical Investigator, Veterans Administration Hospital, Palo Alto, CA
1972 Kaiser Award for Excellence in Teaching
1973 Kaiser Award for Outstanding and Innovative Contributions to Medical Education
1987 William S. Middleton Award for Outstanding Achievement in Medical Research, Veterans Administration
1988 Banting Award for Distinguished Scientific Achievement, American Diabetes Association
1990 Banting Memorial Lecture, British Diabetes Association
1990 Elliot Proctor Joslin Memorial Lecture, Joslin Diabetes Center
1991 Seventh Annual Nordisk-McGill Lecturer (Diabetes Mellitus)
1994 Claude Bernard Lecture, European Association for the Study of Diabetes
1995 Josiah Kirby Lilly, Sr., Distinguished Service Award
2000 Novartis Award for Long-Standing Achievement in Diabetes
2001 Sixth Linus Pauling Functional Medicine Award, The Institute for Functional Medicine
2002 The Renold Medal of the American Diabetes Association for Distinguished Service in the Training of Diabetes Research Scientists
2003 Frontiers in Science Award, American Association of Clinical Endocrinologists
2004 The National Institutes of Health Astute Clinician Lectureship
2004 Ellen Browning Scripps Medal
2004 The Dewitt Goodman Memorial Lecture, Columbia Univ School of Med
2005 Priscilla White Lectureship on Metabolism, Joslin Diabetes Center
2005 Presidential Lecture of the Canadian Society for Hypertension
2006 Fred Conrad Koch Award, The Endocrine Society

Service on National Organizations:

- 1971-74 American Diabetes Association, Inc.
Committee of Statistics

1974-77 Endocrine Society
Editorial Board, Endocrinology

1976-80 U.S. Pharmacopeial Convention, Inc.
USP Advisory Panel on Endocrinology

1977-80 Veterans Administration
Merit Review Board

1977-81 National Institutes of Health
Endocrinology & Metabolic Diseases Advisory Group

1979-81 Gerontological Society
Clinical Medicine Section's Research Committee

1981-87 Member of National Diabetes Advisory Board

1986-87 Chairman, National Diabetes Advisory Board

Service on Editorial Boards

1980-85	<u>Diabetologia</u> , Member, Advisory Board Member, Editorial Team
1982-85 & 1995-1999	<u>American Journal of Physiology: Endocrinology & Metabolism</u> Member, Editorial Board
1983-86	<u>Hormone and Metabolic Research</u> Co-Editor
1986-95	Editor-in-Chief
1988-95	<u>Journal of Gerontology: Medical Sciences</u> Member, Editorial Board
1988-93	<u>Diabetic Medicine</u> Member, Editorial Board
1989-present	<u>Journal of Internal Medicine</u> Member, Editorial Board
1991-95	<u>Diabetes/Metabolism Reviews</u> Editor for North America
1992-95	<u>Journal of Clinical Endocrinology and Metabolism</u> Member, Editorial Board
1949-1999	<u>Endocrinology and Metabolism</u> Member, Editorial Board
1994-1998	<u>Diabetologia</u> Member, Editorial Board
1998-Present	<u>Diabetes, Obesity, and Metabolism</u> Member, Editorial Board
